Recent Japanese literature has equated Hydrogen (水素) with various health benefits. Witness some of their book titles, translated here into English...

“Cancer has Disappeared!”

“Possibilities of Hydrogen”

“THIS is the Truly Beneficial Water”

“Power of Hydrogen; Power of Enzyme”

“Hydrogen & Life”

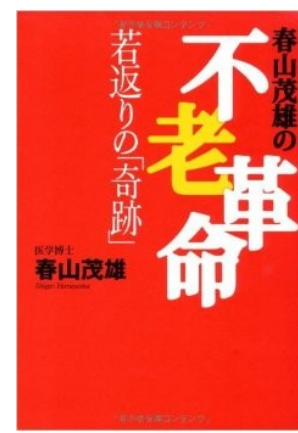

“Power of Minus Hydrogen Ions”

“Life with Hydrogen & Electrons”

“Hydrogen Water & a Body Which Does Not Rust”

“Anti-Aging Revolution The 'Miracle' of Rejuvenation”
